ISSUE:

Approve a resolution authorizing the execution of a lease agreement with Cricket Communications, Inc. for wireless phone antennas on the roof of the Fitness Center.

SYNOPSIS:

Cricket Communications, Inc desires to put three stealth antennas for wireless phone service on the roof of the Fitness Center and pay the City \$19,200 per year.

BACKGROUND:

Cricket Communications, Inc. is in need of wireless antennas in the area of Centennial Park. The Company has not been able to gain use of other properties in the area because of private ownership or zoning issues. Cricket approached the City about putting antennas on the Fitness Center like Cingular Wireless has done.

Cricket did engineering reviews on the Fitness Center roof and proposed a location for their equipment along with three antennas. The proposal was reviewed by City staff and found to be acceptable. Cricket will pay the City a fee for the lease of space in the amount of \$19,200 the first year with a 20% increase after five years.

RECOMMENDATION:

Approve the lease agreement with Cricket Communications, Inc.
